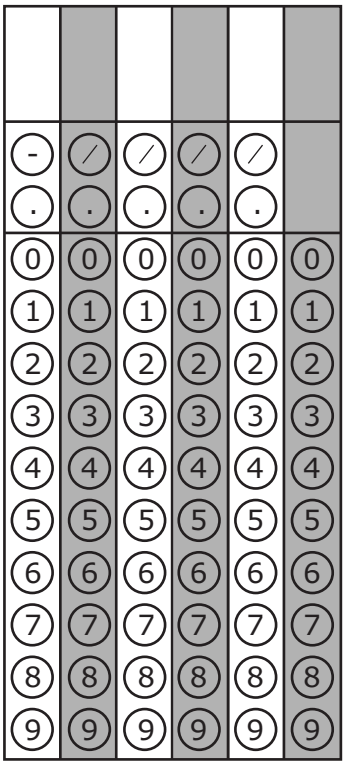
Example Grid for
READY End-of-Grade Tests of Mathematics Grades 6–8
and
READY End-of-Course Test of Math I

This is an example of a grid on an answer sheet used to record responses to the gridded response items. You may want to look at this example grid when you write down your answer to the gridded response items so you know what format to use.

Only 0,1,2,3,4,5,6,7,8,9,.,-, and / are allowed in your answer.


Answers that are mixed numbers must be written down as an improper fraction or decimal.
