

Courses for Credit Requiring EOC or NCEXTEND2 OCS Assessments

The following courses require testing on the end-of-course (EOC) assessment or an NCEXTEND2 OCS assessment. IF a student is enrolled in the course, the student will be expected to take the required assessment. The only exceptions are for students enrolled in AP courses who have previously taken a non-AP course of that same subject and has received credit. These students are not required to be tested.

Note: When a 7 or 8 is in the 5th position of the state course code number the student should be tested if they don't already have a test score for that subject. Digits past the first 4 are not displayed on this document.

Course Code	Name of Course	Assessment required	Notes
1021	English I	English I	
2022	Algebra I B	Algebra I	
2023	Algebra I	Algebra I	
2052	Integrated Math II	Algebra I	
2030	Geometry	Geometry	
2053	Integrated Math III	Geometry	must be administered prior to the end of the course
2024	Algebra II	Algebra II	
2053	Integrated Math III	Algebra II	
3020	Biology	Biology	
3021	Biology II	Biology	this is an AP Biology course
4052	Civics and Economics	Civics and Economics	
4021	US History	US History	
4026	IB History of Americas	US History	always IB
3050	Chemistry	Chemistry	
3051	Chemistry II	Chemistry	this is AP Chemistry
3053	IB Chemistry III	Chemistry	always IB
3010	Physical Science	Physical Science	there is no AP or IB Physical Science
3060	Physics	Physics	
3061	Physics II	Physics	always AP
3062	IB Physics III	Physics	always IB
3063	AP Physics B	Physics	very few students would not have previously had Physics
3064	AP Physics C	Physics	very few students would not have previously had Physics
9210	Occupational English I	Occupational English I	
9220	Occupational Math I	Occupational Math I	
9231	Occupational Science I	Occupational Science I and II	
9232	Occupational Science II	Occupational Science I and II
