

You are going on a job interview. Write a journal entry about how you would prepare for a job interview.

Write a journal entry about how you would prepare for a job interview.

As you write a journal entry about how you would prepare for a job interview, be sure to

- Explain how you would prepare for a job interview.
- Organize your ideas.
- Write your journal entry so that it makes sense.
- Use important details.
- Review and correct your journal entry for capitalization, punctuation, and spelling.

Use the blank sheet of paper given to you by your teacher to plan your journal entry. Anything you write on the blank sheet will not be scored. You must write the final copy of your journal entry on pages 3 and 4 of your test booklet.
