Column (1) lists the areas that are assessed on the English III NC Final Exam.

Column (2) lists the total number of points on the assessment and the total number of points in each area assessed. Some of the assessed areas are not reported when there are not enough questions; therefore, the sum of the points for the assessed areas may not equal the total number of points on the assessment.

Column (3) shows the total number of points that the student earned. Each multiple-choice question on this assessment counts one point. Students receive between 0 and 2 points for their response to each short answer question.

Column (4) shows the percentage of the total number of points that the student earned on the test.

Column (5) shows the average number of points that all students at the school earned.

Column (6) shows the average percentage of the total number of points that all students at the school earned on the test.
