The meeting was facilitated by Debora Williams, DPI liaison and called to order at 5:10 p.m.

The purpose of this meeting was to review, discuss and act on the 2016 annual report to the State Board of Education. Council members were provided an electronic copy of the draft report two weeks prior to this meeting. Dr. Ogletree Richardson, DPI liaison, reviewed the findings and recommendations contained in the report.

Alisa Hunt-Lowery suggested Appendix F include a separate chart of urban organizations recognized by the NC Commission of Indian Affairs. After some discussion, members agreed to include the urban organizations in Appendix F.

Dr. Kim Sellers motioned to approve the report with technical corrections for presentation to the State Board of Education in February 2016. Margo Howard seconded the motion. Each member polled voted in the affirmative. The motion passed. Dr. Richardson was granted permission to make technical corrections as necessary.

The report will be presented to the State Board of Education, the NC Commission of Indian Affairs and during the 2016 Unity Conference.

The meeting adjourned at 5:40 p.m.
