And many, many more!

Key State Decisions

Outreach and stakeholder consultation

Messaging and communication

Accountability alignment

School improvement

Teacher evaluation

EXAMPLE:

Accountability Alignment

- Will NC administer a single summative assessment or *interim* assessments?
- What constitutes *ambitious long-term* goals and *interim progress* toward meeting goals?
- How will NC weight the performance indicators to meaningfully differentiate schools?
- What additional indicator of *school quality* will NC use?
