

## Number and Operations

**Goal:** The learner will understand and compute with rational numbers

**Objective:**

**1.01 Develop number sense for negative rational numbers.**

**b) Compare and order.**

*Note: This objective covers only negative rational numbers, and 0, with the understanding that decimals (tenths, hundredths, thousandths) and negative fractions from 5<sup>th</sup> grade families are to be used.*

To achieve this objective, students should:

- Compare rational numbers using the symbols =,  $\neq$ ,  $\leq$ ,  $\geq$ ,  $>$ ,  $<$ .
