

Policy Related to the Collection Method of the LEA Calculation of the Local Per Pupil Share

Background

Session Law 2016-79 (HB242) Section 1.6 modifies G.S. 115C-218-105(d), requiring the local education agencies (LEA) to provide to the State Board of Education the following for each charter school to which it transfers a per pupil share of its local current expense fund.

- (1) The total amount of monies the local school administrative unit has in each of the funds listed in G.S. 115C-426(c).
- (2) The student membership numbers used to calculate the per pupil share of the local current expense fund.
- (3) How the per pupil share of the local current expense fund was calculated.
- (4) Any additional records requested by a charter school from the local school administrative unit in order for the charter school to audit and verify the calculation and transfer of the per pupil share of the local current expense fund.

This information shall be provided to the State Board of Education by November 1 of each year.

The legislation states that the State Board of Education shall adopt a policy to govern the collection of this information.

The State Board shall issue a letter of noncompliance to a local school administrative unit that does not provide the State Board with the information required by this subsection.

Policy

Local Education Agencies (LEA) shall electronically submit the information required in 115C-218-105(d) to the State Board of Education by November 1 of each year.

Failure to meet the November 1 deadline shall result in the issuance of a noncompliance letter from the Department of Public Instruction to the LEA.

LEAs which are noncompliant shall be reported to the State Board of Education.

Approved by the State Board of Education September 2016
