SPECIAL PROVISIONS:

1. Each grant is awarded for a period of time beginning July 1st and ending September 30th of the following year. The Tydings amendment extends the grant period to 27 months by allowing unexpended funds as of September 30th to carry over an additional 12 months. Funds are potentially available to LEAs/charter schools for 27 months provided there are schools identified as CSI schools and a budget is submitted each year.

2. Program Administrators will notify the School Allotment Section of any LEA/charter school that has not submitted an application for funding by November 30th. After this notification, funds carried forward will be reduced from the LEAs/charter school's budget.
3. Any un-allotted funds created from previous years will be used to cover allowable expenditures for current year projects until the previous year's funds have been used.

4. Funds may only be used for activities authorized under provisions of the ESEA Flexibility Request. If one or more schools exit CSI status, the LEA may reallocate unexpended carryover funds to any other schools in the LEA that remain in CSI status.

5. If all schools in an LEA or charter school exit CSI status, unexpended fund balances as of September 30th will revert to the State for reallocation to LEAs in accordance with Section 1003 and Section 1126.
