To: Maria Pitre-Martin

From: William J. Hussey *WJH*

Subject: Intent to Contract
 Requisition No. RO20347651
 (Required for Service Contracts Greater Than \$5,000)

Important Information: Approval of this Memorandum of Intent to Contract is required prior to initiating the contract process. It does not constitute a contract, nor does it imply that a contract will be approved. In that regard, please note that no contractor work can begin until a contract has been approved and signed by both parties. Signed contracts will be returned to the listed DPI Contract Contact Person by the DPI Purchasing and Contracts Section.

Instructions: The questions/information in this memorandum must be completed, and the appropriate approvals obtained prior to initiating a Request for Proposal (RFP) or any contract paperwork, including amendments. All appropriate requested questions and information must be answered and completed, or the form will be returned. If approved, the original memorandum will be forwarded to the Purchase and Contracts Section, and a copy will be returned to the division. If not approved, the original memorandum will be returned to the division.

1. Please complete the following information (If you will use competitive bidding, please insert a short name for the RFP or other bid instrument in the place for Contractor Name; for example: RFP for Parking Services, and do not complete the contract amount or contract dates.)

Contractor Name: Granville County Schools
 IDEA Outreach Consultant

Contract Amount: \$109,005.84

Contract Dates: July 1, 2017 – June 30, 2018

 (Note: If the amendment is for a date extension only, do not answer questions #3 through #12)
 No.

3. **Why are you initiating a contract? What services will you require?** The Individuals with Disabilities Education Act (IDEA) requires a State Performance Plan (SPP). Indicator 8 of the SPP tracks the percent of parents with a child receiving special education/related services who report schools facilitated parent involvement. This contract is to provide technical assistance, training and support to parent groups, school administrators and school staff in the areas of multi-tiered systems of support (MTSS) and related research-based initiatives in order to foster involvement and understanding of services for students with disabilities.

4. **How does the contract add value to the teaching/learning process?** This contract promotes information sharing and training to inform LEAs, charter schools and parents about special education and various research-based initiatives that will benefit students with disabilities (SWD), resulting in positive relationships with parents.
5. **Is the service unique and not repetitive with agency activity or other contracts? Please state why this service cannot be performed within the resources of the agency.** The service is not repetitive with agency activity or other contracts. This contract addresses the need for accurate parent information and involvement of parents in the Individual Education Program (IEP) of their child.
6. **What is the impact, if you do not contract for these services?** These services and support are critical components of the successful implementation of IDEA. Failure to support parental involvement in the provision of a free appropriate public education (FAPE) could result in the loss of federal IDEA funds.
7. **If this contract is being paid with grant money, does the grant require the contracted services? Please describe the grant references to these contracted services, and give a synopsis of the grant.** Funds from the Individuals with Disabilities Education Act (IDEA) Title VI-B Grant are used to fund this contract.
8. **Will you use competitive bidding (e.g., RFP?) If yes, skip the remaining questions # 9 through # 12.** No
9. **Are you using an IT Supplemental Staffing Convenience Contract or other type of convenience contract? If yes, please skip question # 10 and complete questions # 11 and # 12.** No
10. **Do you plan to request sole sourcing for this contract? If yes, please complete and attach the required sole source justification memorandum. Sole sourcing is warranted whenever only one acceptable source can be found; sole sourcing should never be the first consideration. (Important: The approval of the DPI Section Chief for Purchasing and Contracts, and approval by the Division of Purchasing and Contracts or ITS Procurement Services is required for sole sourced contracts.)** No
11. **Have you contracted with this vendor previously for related services? If yes, please provide the contract number of all contracts with this vendor during the last twelve months.** Yes, The Exceptional Children Division has contracted with Granville County Schools to provide similar services for 2016-17.
12. **How did you calculate the cost (e.g., what is the cost per hour and number of hours?) If the cost per hour is above the DPI maximum for that type of service per the New Service Contract Policies, please attach the required written permission granted by the Deputy Superintendent.** The cost of this contract was calculated based on cost for salary and benefits.
