

## Addendum for Technical Mathematics Phase Out Future-Ready Core Course of Study for Mathematics

End dates have been set for Technical Mathematics courses. After **July 1, 2011**, **Technical Mathematics I (2015)** will no longer be available. After **July 1, 2012**, **Technical Mathematics II (2017)** will no longer be available. Effective with the Freshman Class of 2009-2010, four mathematics credits are required for graduation.

Below are four recommended pathways for students enrolled in Technical Mathematics in 2010-2011 who must meet Future Ready Core mathematics graduation requirements.

	2010-2011	2011-2012	2012-2013	2013-2014
<b>Class of 2013 (Traditional)</b>	Technical Mathematics II	Algebra I	Algebra II OR Geometry OR CTE Classes	N/A
<b>Class of 2013 (Integrated)</b>	Technical Mathematics II	Integrated Mathematics I	Integrated Mathematics II	N/A
<b>Class of 2014 (Traditional)</b>	Technical Mathematics I	Technical Mathematics II	Algebra I	Algebra II OR Geometry OR CTE Classes
<b>Class of 2014 (Integrated)</b>	Technical Mathematics I	Technical Mathematics II	Integrated Mathematics I	Integrated Mathematics II
