

The Home Base Resource Consortium

The Home Base Resource Consortium consists of LEA/charter school representatives; membership is open to all who apply. Members meet monthly to make recommendations about sharing resources and to discuss best practices for vetting, aligning and including resources in Home Base. Meetings are virtual with an occasional face-to-face meeting each year. The Resource Consortium members are:

First Name	Last Name	Group/LEA/Association/Region
Amy	Gross	Alamance-Burlington Schools / Region 5
