A green decorative element consisting of a vertical bar and a horizontal dashed line.

Initial Target Systems

By March 2014:

- Google Apps for Education
- Central Directory Local Replica (CDLR)
- Zscaler
- Follet Destiny
- Discovery Education

Starting April 2014:

- Up to 10 additional target apps per year
- All LEAs and Charters can subscribe

Home Base and IAM Service

- DPI and Home Base vendors have built a temporary SSO solution for the Home Base applications
- Home Base is NOT currently using the NC Education Cloud IAM Service initially (because the IAM Service has not been deployed)
- The tentative plan is for Home Base applications to use the IAM Service in the future as the long term SSO solution
- Current integration status

Questions, Discussion and Next Steps
