The North Carolina Department of Public Instruction (DPI) is pleased to announce that the full suite of Home Base tools will be provided to all districts and charter schools in the 2016-17 school year for **\$1/ADM**. This pricing includes access to content across multiple subject areas within Home Base.  - a. *School districts and charter schools must indicate planned usage by the deadline in order to continue or gain access after July 1, 2016.*

Be sure to **print the summary invoice page** generated by the form above, make checks payable to the North Carolina Department of Public Instruction TIN # 561492826, **and put "Home Base" in the memo line**. Please **mail the invoice pages and check to:**
