# Student Online Test Experience

The screenshot shows a student's dashboard for Nylin Ajiboye. The dashboard is divided into several sections:

- Welcome, Nylin Ajiboye**: A blue header bar with a home icon and a "See What's New in Schoolnet" button with a play icon.
- Your last visit was today. Your role is Student at Abraham Lincoln Middle**: A sub-header.
- Attendance**: A section with three boxes showing "779 Days Enrolled", "5 Days Absent", and "4 Days Tardy".
- My Student Profile**: A section with three buttons: "Benchmark Tests", "Classroom Tests", and "My Academic Record".
- Take a Test**: A section with a list of tests and a "View all" button. The tests listed are:
  - 05/20/13, KAP Grammar (English Lit & Comp 6 Sec 06 Per 2)
  - 02/13/13, feb 13 (English Lit & Comp 6 Sec 06 Per 2)
  - 04/22/13, AFAFAFAFAFA (English Lit & Comp 6 Sec 06 Per 2)
  - 03/11/13, Sample Test D - Do not delete! (English Lit & Comp 6 Sec 06 Per 2)
  - 03/10/13, Sample Test A - Do not delete! (English Lit & Comp 6 Sec 06 Per 2)
- Upcoming Assignments**: A section with one assignment: "Area and Circumference of a Circle" (Mathematics 6, Due Monday, May 20, 2013) with an "Open" button.

A red box highlights the "Take a Test" section, and a smaller red box highlights the "View all" button. To the right of the "Take a Test" section, there is a "Go" button with the passcode "KRASTEL" and a prompt: "Enter an online passcode from an available test to start."

- Make sure computers are ready for testing
- Student logs in and enters online passcode

**Read and Review**

### The Origins of Toothpaste

1 Most Americans use toothpaste every day. Did you ever wonder how toothpaste came to be? Toothpaste did not have any one inventor; instead, it **developed gradually** over hundreds of years.

2 People in ancient India, China, Egypt, Greece, and Rome

**QUESTION 3**

**Question:**

The word origin comes from a Latin word meaning “to be born.” In the title “The Origins of Toothpaste,” the word origins means

**Answer:**

[Show](#) **A** types.

[Hide](#) **B** inventions.

[Hide](#) **C** discoveries.

**D** beginnings.

- Highlighting, hide, flag, manipulatives (if applicable), test summary, timer are all options
- Teachers can experience test preview
