Note: For the class of 2016, SAT and SAT Subject Test participation and results are based on testing through the January 2016 administration.

Beginning with the 2015-16 school year, the collection and reporting of race/ethnicity was updated to reflect U.S. Department of Education guidelines. Due to these changes, the percentage change from last year is not provided. We encourage you to use caution when making comparisons between the 2015-16 school year and race/ethnicity subgroup data from prior years. American Indian includes Alaska Native, Black includes African American and Pacific Islander includes Native Hawaiian. Students reported as "Two or more races" are non-Hispanic. Please refer to the data notes section for additional information about the changes.
