

The graphic above consists of three large rectangles of different colors equally spaced across the page with white text inside each rectangle. The first rectangle on the left is colored dark blue and includes the text: Lowest 5% of schools (111) . The center rectangle is colored light green and has the text: Schools with 4-yr grad rate below 60% (2 of last 3 years) (9 schools). The rectangle on the right is colored purple and has the text: Districts with aggregate performance below 65% (12 districts and 174 schools). Underneath the center rectangle is the asterisk descriptor referencing the asterisk in the leftmost rectangle. The text of the asterisk descriptor is: Two schools identified in the lowest 5% and 4-year grad rate.
